Glenn:

Just a note to thank you for the opportunity to attend the Intelligence and Electronic Warfare System Program Review. It was a good chance for me to learn and appreciate a great deal of the systems and needs in our IEW effort. It also afforded me a delightful opportunity to meet the many players in the military intelligence world. I found that particularly rewarding.

You have my best wishes for continued success in this and your next assignment. We look forward to the opportunity to assist you wherever possible. Please don't hesitate to ask.

Regards,

JOHN W. McMANIS
